

**What is a  
Natural  
Disaster?**

## What were the problems that we viewed in the video?

Place correct text in oval space provided

**Of the problems identified in the previous slide, where do they fit below?**

Natural Disaster

Tragic Event

What can we do in our local community to help in times of a natural disaster?

Things we can help with...

## Group Work:

With your partner, please review...

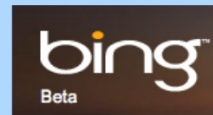

What are the differences (if any) between:

1. a hurricane, 2. a tornado, 3. a cyclone
4. a typhoon, 5. a twister

[http://en.wikipedia.org/wiki/Natural\\_disaster](http://en.wikipedia.org/wiki/Natural_disaster)

[http://library.thinkquest.org/03oct/00477/NatDisasterPages/jeb.webpages/Typhoon/typhoon\\_definition.htm](http://library.thinkquest.org/03oct/00477/NatDisasterPages/jeb.webpages/Typhoon/typhoon_definition.htm)

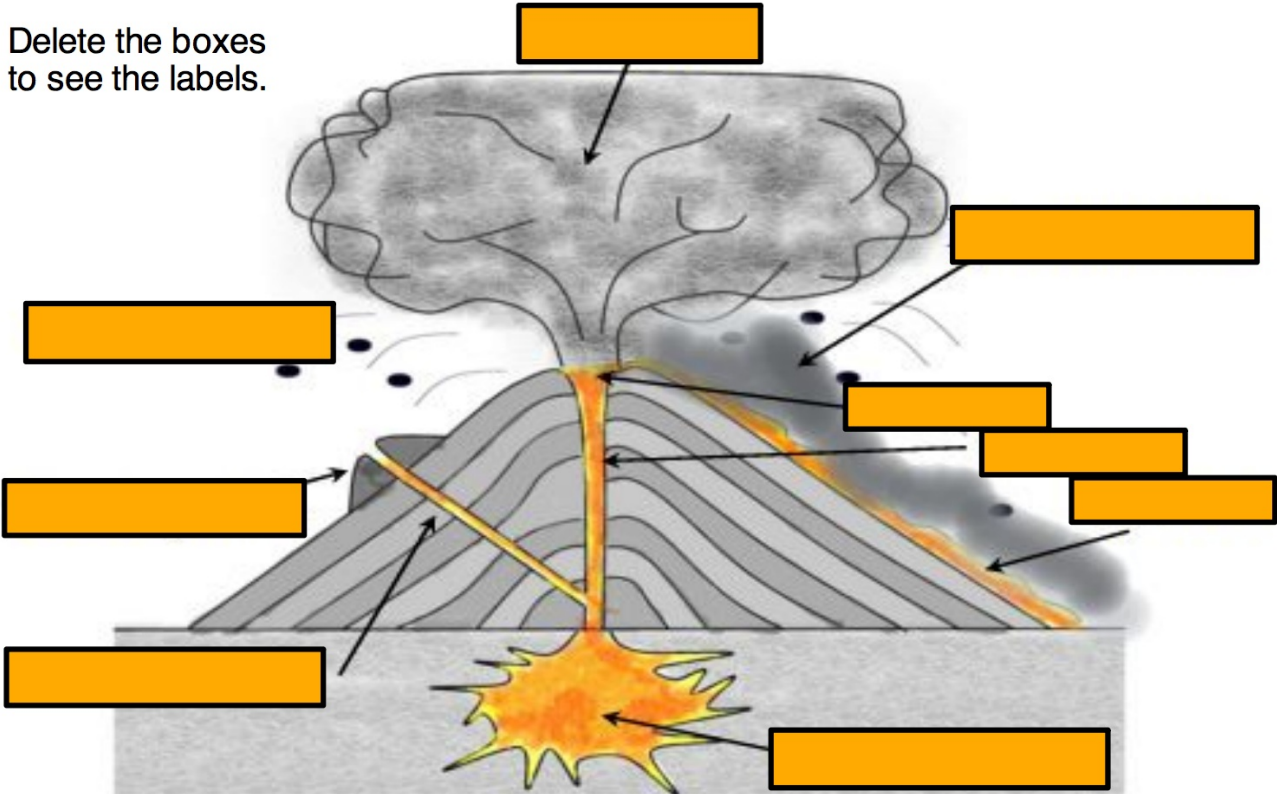

Use Google or Bing to search for the definitions of the disasters above - present this information on **PrimaryPad** with no more than 140 characters for each topic (eg. a typhoon is a violent, tropical storm that occurs only in the west Pacific and Indian Ocean)

## Can you label the parts of a volcano?

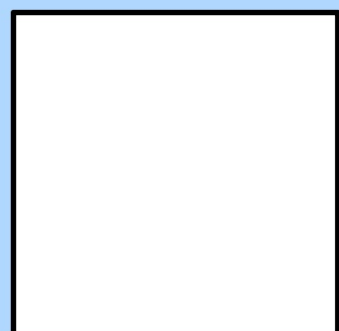

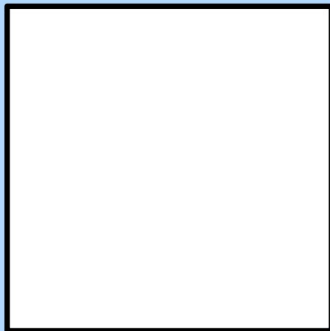

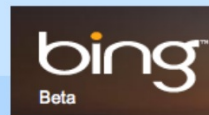

Delete the boxes  
to see the labels.

## Main Features of a Volcano

# Literacy and Reflection

Reflect on some natural disaster images of your choosing via the links below

Place the chosen images in the boxes above. It is now time for classroom discussion about what you see in these images.

We will now review the making of a glogster which you will be using for your upcoming assignment on natural disasters.
